DIRECTOR'S MESSAGE

Here we are again, it's big game tag application season and 2024 comes with some new opportunities. This year we are pleased to announce Nevada's first Antlered Moose hunt. While records indicate that moose began their exploration of our state dating back to the 1950s the modern establishment seemed to start in 2013. Years of tracking and monitoring our moose population has demonstrated that we have a very healthy and productive population that can sustain the proposed conservative harvest. While the number of public sightings across much of Elko County has exploded in recent years, the information gathered from this hunt will provide substantial benefit to the agency's future management of this amazing animal.

In review of this guide, you will see the realized impact of the hard 2022-2023 winter. Antlerless mule deer hunts have been discontinued until herds can recover. An associated consequence will be a reduction in junior mule deer opportunity. To assist in offsetting this impact to youth opportunity, we are piloting primitive junior hunt seasons in eight different hunt units for 2024. This will provide juniors who wish to challenge themselves by restricting their gear to either archery or muzzleloader another chance at a tag while creating some additional opportunity in the traditional three season hunt. To ensure junior are well informed and prepared for the use of these primitive weapons NDOW will be offering advanced archery and muzzleloader education classes before and after the tag application deadline.

While I have highlighted just a couple new big game opportunities, Nevada continues to provide incredible big game hunting opportunities for deer, elk, bear, pronghorn antelope, mountain goat and three bighorn sheep sub-species. To ensure you are prepared to submit your applications please review this application guide for season dates, quotas and required processes. If you are looking for additional information to evaluate and inform your choices please visit our TOP 10 BIG GAME RESOURCES (<https://www.ndow.org/get-outside/hunting/plan-your-hunt/>). Should you need additional assistance after reviewing the guide and our website (www.ndow.org) please call or visit your local NDOW office.

As always, I wish you all the best of luck with your hunt choices and again ask that you consider bringing your wildlife passion beyond your application and into the field. Nevada's wildlife needs your support in any manner you can provide from donations or membership in a sportsmen's organization, to volunteering on wildlife projects or to being part of the County Advisory Board and Wildlife Commission public input process. There is opportunity for all to Support Nevada's Wildlife. For more information please visit our volunteer page at <https://www.ndow.org/learn-discover/get-involved/>.

Sincerely,

Alan Jenne – Director, Nevada Department of Wildlife

QUALIFICATIONS FOR RESIDENT LICENSES, TAGS AND PERMITS

A person is considered to be a resident of the State of Nevada if: The person is a citizen of, or is lawfully entitled to remain in, the United States; and during the 6 months next preceding the person's application to the Department for a license, tag or permit, the person: (1) Maintained his or her principal and permanent residence in this State; (2) Was physically present in this State, except for temporary absences; and (3) Did not purchase or apply for any hunting, fishing or trapping privilege or entitlement conditional upon residency from another state, country or province.

A person who does not maintain his or her principal and permanent residence in Nevada

but who is attending an institution of higher learning in this State as a full-time student is eligible for a resident license, tag or permit if, during the 6 months next preceding the person's application to the Department for a license, tag or permit, the person: (a) Was physically present in Nevada, except for temporary trips outside of the State; and (b) Did not purchase or apply for any hunting, fishing or trapping privilege or entitlement conditional upon residency from another state, country or province.

A resident license, tag or permit issued by this State is void if the person to whom it was issued establishes or maintains his or her principal and permanent residence in and obtains any hunting, fishing or trapping privilege or entitlement conditional on residency from another state, country or province.

Principal and permanent residence means a place where a person is legally domiciled and maintains a permanent habitation in which the person lives and to which the person intends to

return when he or she leaves the state in which the permanent habitation is located. The term does not include merely owning a residence in a state. (NRS 502.015) Social Security Number Laws regarding child support mandate that any person who is required by federal law to have a social security number must provide the number to obtain a business, occupational or recreational license. Federal Law – Public Law 104 – 193; Nevada Statute – NRS 502.063, 503.5833, 504.390.

MILITARY STATIONED IN NEVADA

Active members, permanently assigned to the state of Nevada and spouses and dependents, may obtain a fishing license at the same cost as Nevada residents. (Refer to NRS 502.070)

ACTIVE MEMBERS OF THE ARMED FORCES

Active members in the Armed Forces who are stationed outside of the U.S. and lose their bonus points due to a lapse in applying may be refunded their lost points after they return to the country. (NAC 502.4187)

NEW REGULATIONS ///

KEEP UP TO DATE

KNOW BEFORE YOU GO

In recent years, Nevada has adopted several new hunting regulations. Here are a few that you may not be aware of. Be sure to know before you go!

Keep in mind that these are simply synopsis of the laws. Visit leg.state.nv.us to read the Nevada Revised Statutes in their entirety. It is your responsibility to know and follow the law. Please check <https://nvboardofwildlife.org/#policies> for updates.

Spike Elk

Spike elk means any antlered elk having not more than two antler points on either antler. (Refer to NAC 502.145/CGR 508/R090-22)

Trail Camera

With certain exemptions, it is illegal to place, maintain, or use a trail camera on public land from August 1 - December 31 of each year. It is illegal to use a trail camera July 1 - December 31 of each year if the camera is capable of transmitting images, video, or location

of wildlife. (Refer to NAC 502/CGR 440/R012-16)

Shed Antlers

A person shall not take or gather shed antlers from or on any public land located in Elko, Eureka, Lander, Lincoln, Nye, or White Pine Counties at any time from January 1 - April 30. A shed antler collection certificate is required for collecting May 1 - June 30. NDOW offers a shed-hunting course, which can be accessed at ndow.org. It is unlawful to pick up antlers still attached to a skull (deadhead). (Refer to NAC 503/CGR 475/R082-19)

Thermal Imaging/Optics

A person shall not possess or use electronic night-vision equipment, electronically enhanced light-gathering devices, thermal imaging devices, infrared night-vision equipment, or any other comparable equipment or device used to enhance night-vision while hunting or taking any game mammal or game bird or while locating game mammals or game birds for the purpose of hunting. This does not limit the use of a sight attached to a firearm, bow or crossbow that is powered

by a battery contained within the sight, is illuminated by light gathering fiber optics, or uses a radioactive isotope such as a tritium. (Refer to NAC 503/CGR 492/R035-20)

Drone/Unmanned Aircraft

A person shall not, for the purpose of hunting and trapping, locate or observe, or assist a person in locating or observing, any big game mammal, game bird or fur-bearing mammal in a management unit described in NAC 504.210 during the period beginning on July 1 and ending on the last day of February of each calendar year with the use of an aircraft. (Refer to NAC 503/CGR 459)

Electronic License

Hunters are required to possess a license in the field and have the ability to show it. This includes electronic versions. (Refer to NRS 502.120)

NEVADA

HOW DOES THE DRAW SYSTEM WORK?

All applications, regardless of species or class, are assigned a random number. Applications with bonus points are assigned additional random numbers by squaring the bonus point total and adding one for the current year (however only the lowest number within the bonus point application is used). Applications are drawn in sequential order starting with the lowest random number then evaluated within the following group order:

GROUP #1

Silver State

GROUP #2

Partners in Wildlife

GROUP #3

Junior Mule Deer Antlered

GROUP #4

Rocky Mountain Bighorn Sheep Ram, California Bighorn Sheep Ram, Nelson (Desert) Bighorn Sheep Ram, Elk Antlered, Antelope Horns Longer than Ears, Mule Deer Antlered, Mountain Goat, Bear, Moose Antlered

GROUP #5

Elk Depredation Antlered, Management Bighorn Sheep Ram

GROUP #6

Nelson (Desert) Bighorn Sheep Ewe, Elk Antlerless, Antelope Horns Shorter than Ears

GROUP #7

Spike Elk

GROUP #8

Elk Depredation Antlerless

IMPORTANT INFORMATION FOR 2024

\$3 Fee

Customers can now select where they would like the Department to utilize their \$3 application fee. Customers will be prompted on their application review page to select directing the Department to spend their \$3 fee on lethal removal of predatory wildlife or wildlife habitat and research of non-predatory wildlife. (AB70, 2023)

Language Preference Choice

Customers can now share with the Department their preferred language of choice. A prompt will show to the customer and selection can be seen or edited in a customer's storefront account under their general profile information.

Hunt News

The Nelson (desert) bighorn ram management "One-Horn" hunt will continue this year in select unit groups. The shortest horn must be less than half the length of the longest horn. See page 15.

Mule Deer

All junior mule deer hunts are now antlered only.

Changes for the 2024-2025 Season

- Elimination of 2 resident horns shorter than ears antelope hunts (078, 105-107, 121 and 131, 145) due to poor herd productivity and lack of available animals.
- The resident antlered and antlerless elk, any legal weapon depredation hunt will be reduced to two seasons.
- Resident Desert Bighorn Sheep Any Ram - Any Legal Weapon hunts:
 - » The 173 North season will match with 173 North management hunt season.

- » Close Unit 212 due to recent disease event
- » Close Unit 252 due to lack of mature rams from prolonged disease event
- » Open Unit 282 hunting season - recent survey indicates re-patriation of animals and mature rams.
- Non-resident Desert Bighorn Sheep Any Ram - Any Legal Weapon hunts:
 - » Close both Unit 161 hunts due to recent disease event
 - » Close Unit 212 due to disease event
 - » Close Unit 271, 242 to accommodate reduced resident tags relative to mature ram availability.
- Resident Desert Bighorn Sheep Any Ram Archery hunts:
 - » Close Unit 161 due to recent disease event
 - » Adjust Unit 182, 044 season dates to be consistent with Unit 202 archery hunt dates.
 - » Adjust Unit 202 season dates to eliminate overlap with any legal weapon hunt in Unit 202
 - » Close Unit 212 hunting season due to recent disease event
- Non-resident Desert Bighorn Sheep Any Ram Archery Hunt:
 - » Close Unit 161 due to recent disease event
- Resident Desert Bighorn Sheep One-Horn Management Hunt:
 - » Close Unit Groups 241, 243, 271 and 283, 284, 286 due to no one-horn rams observed in any of these units and no harvest in first year for a Once-in-a-Lifetime hunt.
- Resident and Non-resident Desert Bighorn Sheep Any Ewe Any Legal Weapon Hunt:
 - » Close Unit 161 due to disease event

- Resident California Bighorn Sheep Any Ram Any Legal Weapon Hunt:
 - » Open eastern portion of Unit 035 for the Bloody Run Mountains with adequate mature rams. Herd reintroduced in 2019
 - » Close Hunt Unit 014 portion of the 012, 014 Unit group.
- Elimination of the Resident Junior Mule Deer Antlered or Antlerless Archery, Muzzleloader, or Any Legal Weapon Hunt for 061, 062, 064, 066-068, 071-079, and 091, and 101-109 for the 2024 season and incorporation of those unit groups into the Resident Junior Mule Deer - Standard and Non-Standard Antlered Only Archery, Muzzleloader or Any Legal Weapon Hunt for the 2024 season.
- New Resident Junior Mule Deer - Alternative Primitive Weapon Antlered Only hunt (Hunt#: 1105) and Resident Junior Mule Deer Alternative Antlered Only Any Legal Weapon hunt (Hunt#: 1106) to provide more opportunity for Juniors in Alternative Units.
- Resident and Nonresident Mule Deer Antlered Any Legal Weapon Hunt:
 - » Eliminate the mid-season for Units 221-223
- Elimination of the Resident Mule Deer - Antlerless Any Legal Weapon Hunt for hunt unit groups 061, 062, 064, 066-068, 071-079, and 091, and 101, 102, and 109 for the 2024 season due to lower mule deer population size.
- Establish the first ever Resident Antlered Moose Any Legal Weapon Hunt in multiple units in Elko County with adequate mature bulls available.
- Unit 091 is no longer an interstate mountain lion hunt with Utah. Nevada hunters may no longer hunt mountain lions in Utah Unit 1C.

NEVADA BIG GAME SEASONS (CR 23-04)

LIMITS AND HOURS

The limit is one animal per tag and the hunting hours are one-half hour before sunrise to one-half hour after sunset for all big game hunts, unless otherwise specified.

Important: The quotas listed are from the 2023 big game seasons. Big game quotas will not be set until the May 2024 Commission meeting in order to accommodate the most current data on big game herds. New hunts, dates or units added to a hunt are marked in *bold blue italics*.

Note: Standard dates for opening and closing of seasons are set by calendar date and not based on a Saturday opening and Sunday closing.

BEFORE YOU APPLY

The Department maintains several informational resources on our website at ndow.org to help with planning your hunt including: Hunter Information Sheets (facts on terrain, vegetation, land ownership, hunter access, map references, local services and recommended hunting areas), hunt application advisories, big game demand, hunter success rates, harvest point class and bighorn sheep age and scores.

BIG GAME MAIN DRAW ELECTRONIC TAG RETURN

Within seven (7) days of public release of draw results, the successful tag recipient can choose to electronically return his or her tag at ndowlicensing.com.

ELIGIBILITY INFORMATION

Species Eligibility:

Applicants may only obtain one tag per species in a year. This means that eligible persons may apply for all categories of a species but only obtain one (1) tag of that species during the current year's season. This includes Silver State and PIW specialty tag options.

Species Categories:

- Junior Antlered Mule Deer
- Antlered, Antlerless, Depredation, and Spike Elk
- Antelope Horns Longer and Horns Shorter Than Ears
- Ram and Ewe Bighorn Sheep, including all subspecies (California, Desert and Rocky Mountain)
- Mountain Goat
- Bear
- Mountain Lion
- Moose

FAQs:

Q: I am in a waiting period for Antlered Elk, can I apply for the Spike Elk hunt?

A: Yes. Antlered Elk and Spike Elk are considered two separate bonus point and hunt categories.

Q: If I apply for all available elk hunts, how many elk tags can I obtain during the year's season?

A: Only one (1) Elk tag per season regardless of what draw or tag program you receive the tag through.

Q: I'm in my waiting period for desert bighorn ram hunt, can I apply for a one-horn ram management hunt?

A: Yes, they are separate hunt categories.

Q: Can I purchase an Antelope Horns Shorter Than Ears tag through the First Come, First Served program if I drew an Antelope Horns Longer Than Ears tag in the main draw?

A: No. A person is only allowed one (1) tag of the same species during a single year's season.

Q: Will I use my Antlered Elk bonus points if I purchase an Antlerless Elk tag through the First Come, First Served program?

A: No. Your points for Antlerless Elk will be used but not your points for Antlered Elk. Bonus points are also not necessary in order to purchase a tag through the First Come, First Served program but will revert to zero (0) upon purchase.

HELICOPTERS AND YOUR HUNT

Each year, the Nevada Department of Wildlife conducts about 1,000 hours of surveys with two Department helicopters to determine the productivity and distribution of wildlife species from mule deer to eagles. Wildlife surveys are essential to harvest regulation, and the Department strives to avoid conducting surveys during hunting seasons. Unfortunately, due to weather and demands associated with optimal survey timing, the Department sometimes must conduct surveys during seasons when a hunt may be ongoing. We are asking hunters to recognize that a survey may occur during any open hunting season, although the Department will strive to avoid this to the best extent possible.

^D 181 West - That portion of Unit 181 west of State Route 839

* There are portions of Unit 181 in Naval Air Station (NAS) Fallon where public access is restricted. To hunt in the NAS portions of Unit 181, the tagholder is required to attend a NAS hunter safety briefing.

** Mature ram numbers and distribution are unknown in this unit.

*** Portions of Hunt Units 252, 280, 281, and 282 are within the Nevada Test and Training Range (NTTR) where public access is restricted. Hunters and everyone in their respective hunting parties, must comply with all Nevada hunting requirements and all NTTR safety and security requirements including the following: 1) consent to and pass a criminal history background check, 2) be at least 14 years old on opening day of the respective hunting season, 3) attend the Nellis Air Force Base hunter safety briefing, and 4) within the NTTR Hunt Units 252, 280, 281, and 282 limit party size to 5 including tagholder. Additional party members may complete background check and safety briefing, but only maximum of 5 party members including tagholder may be present within the NTTR Hunt Units 252, 280, 281, and 282 at any given time.

*** Hunters and members of their parties who fail to comply with these requirements may be denied access to the NTTR. Hunters and members of their parties may not access the NTTR after a tag is filled and animal has been removed and in possession of tagholder. No pets are allowed on NTTR. It is the hunter's responsibility to meet and/or comply with all NTTR eligibility requirements. In some units there may be adjustments to season dates to accommodate Department of Defense operations. The Nevada Board of Wildlife Commissioners hereby delegates authority to the Nevada Department of Wildlife to adjust season dates to accommodate Department of Defense operations so long as there is no change to the overall length of the season.

PARTY HUNTS AND BONUS POINTS

Party hunt members are able to return their party tag to the Department but will not receive their bonus points back unless all members of the party also return their tags to the Department.

Tags for successful applicants will be printed after the conclusion of the one-week electronic return period that follows the conclusion of the draw. Printing all big game tags takes approximately 1-2 weeks. Applicants can expect their tags to be placed in the mail within 3 weeks following the conclusion of the draw and receive their tags by July 1st. Applicants are advised to ensure the address provided for tag shipping at the time the application is submitted is accurate and current.

Statewide except units 033, 269, 280, 281, 282, 283, 284, 286.	247

- Mountain lion season begins March 1 and ends either on the last day of the next February or when the number of harvested mountain lions reaches the quota limit, whichever happens first.
- Hunting hours are any time day or night.
- A hunter, or their licensed guide or subguide if applicable, must call the mountain lion hotline at 1-800-800-1667 prior to hunting to determine if a unit group is open or closed.

* *Unit 091 is no longer an Interstate hunt with Utah. Nevada hunters may no longer hunt in Utah Unit 1C.*

* *Must physically possess your tag while hunting.*

NEVADA

BLACK BEAR HUNTS

(NAC 502.373)

ATTENTION

Successful bear hunters that have their harvest physically inspected at a Department office will not be required to return a big game harvest questionnaire. Unsuccessful bear hunters will still need to complete the big game harvest questionnaire.

* Those areas within Units 192 and 194 that are within the U.S. Forest Service Lake Tahoe Basin Management Unit (LTBMU) and those areas bounded on the west by the LTBMU boundary from the southern boundary of Township 16 North, Range 18 East, Section 13 to the Mount Rose Wilderness Area boundary (approximately located at the Relay Ridge Radio Tower), by the Mount Rose Wilderness Area boundary from the LTBMU boundary to the western boundary of Range 19 East, and by the western boundary of Range 19 East from the Mount Rose Wilderness Area boundary to USFS Road No. 41049 (Logan Meadow Lane/Thomas Creek), bounded on the north by USFS Road No. 41049 from the western boundary of Range 19 East to Timberline Drive, by Timberline Drive from its junction with USFS Road No. 41049 to State Highway 431 (Mount Rose Highway), and by State Highway 431 from its junction with Timberline Drive to its junction with U.S. Highway 395, bounded on the east by U.S. Highway 395 from its junction with State Highway 431 to the southern boundary of Township 16 North, Range 19 East, Section 14 (approximately located at the northbound Bellevue Interchange off-ramp), and bounded on the south by the southern edge of Township 16 North, Range 19 East, Sections 14 - 18, following the southern boundary of the University of Nevada, Reno Little Valley Study Area, and Township 16 North, Range 18 East, Section 13 to the LTBMU boundary.

Special Regulations:

- The limit is one animal per tag.
- Hunting hours are one-half hour before sunrise to one-half hour after sunset.
- Tag holders, or their licensed guide if applicable, must call the Black Bear Harvest Information Hotline prior to hunting to determine if the hunt has been closed due to the harvest objective being reached. The number is 1-800-800-1667 and is accessible 24 hours a day.
- Attendance at one of the annual black bear indoctrination courses is mandatory for tag holders AND their representative guides and sub-guides. A person represented by a guide or sub-guide at the indoctrination must take the indoctrination course; their guide and sub-guides must also take the indoctrination course. Tags will only be issued upon completion of one indoctrination course. Black bear indoctrination courses are scheduled for Thursday, August 15, from 6 pm to 9 pm and Saturday, August 17, 2024, from 1 pm to 4 pm. Both courses will be held the Nevada Department of Wildlife's conference room, 1100 Valley Road, Reno, Nevada and streamed on Zoom. Courses will be recorded on Zoom and available for First Come First Served tag holders. The Department will provide all tag holders with directions for registration prior to August 15, 2024.

We Finish the Hunt

The animal kingdom is greatly undervalued. We humans do not realize the critical role that animals play in our own existence. Their understanding and awareness come from the fact that they do not need to control nature, but rather live in harmony with it. Our vision at Animal Artistry is to reinforce our affirmation that wildlife shows us a better way—it is leading us home and fortifying our essential mandate to preserve it at all costs.

SPECIALTY TAGS

Specialty tags provide enhanced opportunities for hunters to experience a hunt that include but are not limited to longer season structures, potential to obtain multiple tags in a year for a single species, the ability to utilize any open unit, and obtaining a tag while in a current waiting period. Some specialty tags offer different perks and follow different rules than others. Specialty tags may be awarded through the application and draw process or purchased through an event auction.

A Partnership in Wildlife (PIW) and Silver State tag applicant can only draw one tag per species. A person can be awarded a tag in the big game draw and purchase a tag of the same species outside of the draw, this includes the Heritage and Dream tag options. Specialty tag quotas are not restricted by residency except PIW mule deer.

BIGHORN SHEEP UNIT CLOSURES

Bighorn sheep unit closures are associated with the setting of the annual bighorn sheep quotas and the following table that identifies the maximum number of specialty tags for every unit group that has an open season. Some unit groups may be set to zero (0).

BHS UNIT GROUP QUOTA	MAXIMUM SPECIALTY TAG QUOTA
1-2	0
3-6	1
7-12	2
13-20	3
>20	4

Specialty Tags exclude the use of seasons, quotas and hunt units designated for depredation (elk derpidation), management (management one-horn Nelson BHS, etc.), and emergency hunts.

*Dream Tags and PIW tags follow the general hunt seasons for the awarded species. Management and depredation hunt seasons are excluded as well as seasons for different classes such as spike elk and junior mule deer.

SHEEP HARVEST HOTLINE

Tag holders must call the Specialty Bighorn Sheep Harvest Information Hotline prior to hunting daily to determine if any hunt units have been closed due to the harvest limits being reached. The number to call is 1-833-923-0754 and is accessible 24 hours a day. Specialty sheep harvests must be reported to the Department by 9:00PM PST the day of harvest by calling 775-688-2327.

GENERAL APPLICATION INFORMATION

All hunt applications for big game tags must be submitted online at ndowlicensing.com. Initial draw results will be posted online at ndowlicensing.com no later than 48 hours after the completion of the draw. Draw results will be released once customer accounts have been updated.

A second drawing will be held for all big game tags that remain after the completion of the Main Draw. Eligible residents and nonresidents may apply for any remaining tags during the Second Draw application period, with the exception of the junior Mule Deer hunt tags, which will only be available to eligible resident applicants. Bonus points for ALL big game species will be available for purchase during the Second Draw application period.

Each applicant will need to apply and purchase licenses under their own account. Applications can be edited or withdrawn in a customer's account under the Application and Points section up until the close of the application period. Applicants can choose up to five (5) different units and seasons per species and

sex so long as there are five (5) different hunt choices available. Utilizing all five (5) choices is highly recommended to maximize an applicant's chances of receiving a tag.

A successful applicant will have seven (7) days to complete the payment of their tag directly following the results of a draw. If at the end of the seven (7) days a payment has not been completed, the successful applicant will be treated as if they received the tag in regard to waiting periods applied and bonus point costs while the tag will be offered to the next available alternate, subsequent draw, or for purchase in the First Come, First Served program.

The completion of a harvest return card is mandatory to any successful tag holder regard-

less of a successful take during the season. Applicants will be prevented from applying for a species in the following year's application period if they did not submit a return card for a tag held the prior year. Customers can complete the return card found in their account and pay a \$50 fee to lift the penalty and proceed with the current year's application.

BIG GAME HARVEST RETURN CARD

Penalty fees and harvest return card information must be received by the Department by the close of the big game application period. Failure to report will result in the denial of all big game tags for 1 year. (NAC 502.405)

2024 BIG GAME TAG APPLICATION ELIGIBILITY AND TAG LIMITS (CR 24-02)

BIG GAME TAG APPLICATION ELIGIBILITY

Except as otherwise provided by regulation, a person may only **apply** for one (1) big game tag per species or subspecies per draw application period, with the following exceptions:

- An eligible person may submit one (1) application for antlered mule deer and one (1) application for antlerless mule deer, or an eligible person may submit one (1) application for the junior antlered or antlerless mule deer hunt, per draw application period;
- An eligible person may submit one (1) application for pronghorn antelope horns longer than ears and one (1) application for pronghorn antelope horns shorter than ears per draw application period;
- An eligible person may submit one (1) application for antlered elk, one (1) application for antlered depredation elk, one (1) application for spike elk, and one (1) application for each type of antlerless elk, including antlerless elk, and antlerless depredation elk, per draw application period;
- An eligible person may submit one (1) application for ram bighorn sheep per subspecies and one (1) application for ewe bighorn sheep per subspecies per draw application period;

BIG GAME TAG LIMITS

Except as otherwise provided by regulation, a person may only **obtain** one (1) big game tag per species or subspecies per year, with the following exception:

- An eligible person may obtain Heritage tags, Mule Deer or Pronghorn Antelope Landowner Damage Compensation tags, Elk Incentive tags, and Antlerless Elk Landowner tags in addition to any tags obtained through a draw process.

BIG GAME SECOND DRAW ELIGIBILITY

A second drawing will be held for all mule deer, pronghorn antelope, black bear, elk, mountain goat and bighorn sheep tags that remain after the completion of the big game main draw process. Eligible residents and nonresidents may apply for **any** remaining tags during the big game second draw application period, with the exception of the junior mule deer and antlerless mule deer hunt tags, which will only be available to eligible resident applicants.

BIG GAME HUNT SURVEY

The issuance of a big game tag includes an online big game hunt survey that tag recipients are required to complete, regardless of whether or not they hunted or harvested big game. The big game hunt survey may be submitted online at ndowlicensing.com. Call 1-855-542-6369 for assistance.

Except as otherwise noted, successful hunters for bighorn sheep ram, mountain goat and bear who have their harvest physically inspected at a Department office will not be required to return a survey. (Refer to pages 14, 16 and 26)

Properly completed big game hunt surveys must be submitted before **5 p.m. (pacific time) on January 31** following the close of the hunt season for which the tag was issued, with the exception of hunts that end on or after January 31, which must be properly completed and submitted before 5 pm (pacific time) on February 28 following the close of the hunt season for which the tag was issued.

ALTERNATES

Selecting to be an alternate adds the applicant to a list of hunters willing to accept a tag exactly matching their first-choice application if one should be returned to the Department. Alternates are awarded by lowest assigned draw number provided in the Big Game Main Draw. An alternate can receive a tag anytime from when the results are released from the main draw up until 14 calendar days prior to the opening of the tag's hunt season. (NAC 502.4175 and 502.421 - CGR 490)

Alternates receiving their tag will not be notified by the Department. A customer's default credit card will be charged, and an email confirmation will be sent to the email address stored in your customer account. Tags are mailed from the time of purchase and alternates will receive their alternate tag in the mail within 7-10 business days.

FIRST COME, FIRST SERVED

Following the big game second draw, any remaining tag quotas with no eligible alternate will be available for purchase to eligible customers through a first come, first served basis. Remaining junior Mule Deer quotas will only be available to eligible junior residents. All big game application eligibility rules will apply to the purchase of a tag through the FCFS program and will only be available for purchase online at www.ndowlicensing.com. Customers must be at least 12 years old at the time of a FCFS purchase on a hunt season that is already in progress. A suspicious activity suspension from the FCFS program will be applied to any account found trying to attempt to create an unfair advantage or actively abuse the program. (NAC 502.4215)

BIG GAME APPLICATION SEMINARS

If you have questions about Nevada's tag application process, the Nevada Department of Wildlife has the answers. Classes will include the following topics: creating/updating your account, purchasing a license, navigating the application, party applications, linking accounts, bonus points individual /party, alternate option, and return cards and surveys.

DEFINITIONS (AS USED IN THESE REGULATIONS)

Antlerless deer — Any deer without antlers (NAC 502.008).

Antlerless elk — Any elk without antlers (NAC 502.009).

Antelope with horns longer than its ears — Any pronghorn antelope having at least one horn that is longer than either ear of the antelope (NAC 502.002).

Antelope with horns shorter than its ears — Any pronghorn antelope without horns or with both horns that are shorter than its ears (NAC 502.003).

Antlered deer — Any deer having at least one antler that is visible above the hairline of the deer (NAC 502.007).

Antlered elk — Any elk having at least one antler that is visible above the hairline of the elk (NAC 502.0074).

Spike elk — Any antlered elk having not more than two antler points on either antler (NAC 502.1045/CGR 508/R090-22).

Ewe — Any female bighorn sheep having a horn or horns of at least 5 inches in length each as measured on the outside curve of the horn from the skull to the tip (NAC 502.345).

Junior hunt — A hunt authorized by a regulation of the Commission which is limited to an applicant who (NAC 502.063):

1. Possesses a hunting license or a combined hunting and fishing license;
2. Will attain his or her 12th birthday before the first day of each hunting season to which his or her application relates; and
3. Will not attain his or her 18th birthday until after the last day of each hunting season to which his or her application relates.

Note: A person who is otherwise eligible to apply for a junior hunt may apply for a junior hunt not more than 5 years (NAC 502.333).

Unit — The State of Nevada is portioned off into sections and given corresponding numbers for reference. These sections are known as units or management units. The units help biologists of the Department track and manage wildlife within the state. Units also define where in the state a person can hunt the species designated on their tag. For more information, see the unit map included in this guide book.

Season — The time frame of which a person is allowed to hunt. Seasons can range from as little as two (2) days up to 365 days.

Weapon Class — The term weapon class is used to determine what type of weapon is allowed to be used during a hunt. Weapon classes are broken out into three (3) main categories: any legal weapon, archery, and muzzleloader. See the Legal Weapon Types table for more information.

* Includes muzzleloading shotguns.

LEGAL WEAPONS FOR BIG GAME

CENTERFIRE FIREARM NRS 503.150 AND NAC 503.142

Rifles: Must use a centerfire cartridge of caliber .22 or larger, but not larger than .50 caliber with a case length no longer than 3 inches.

Handguns: Must use a centerfire cartridge of caliber .22 or larger and a barrel length of 4 inches or more.

Prohibited Firearms: Any firearm capable of firing more than one round with one continuous pull of the trigger. Any firearm equipped with a sighting system that uses an electronically controlled or computer controlled firing mechanism.

Prohibited Ammunition: Full metal jacket, full steel, full steel core, tracer or incendiary bullets or shells.

Shotgun (only legal for deer and mountain lion): 10, 12, 16 or 20 gauge. Shotgun barrels may be smooth or rifled for either species.

For Deer: Only rifled slugs or shotgun rounds with sabots that contain a single expanding projectile may be used for deer.

MUZZLELOADING RIFLE AND MUSKET NAC 503.142 AND NAC 503.145 During a "Muzzleloader-Only" Hunt:

Caliber: Firearm must have a single barrel of .45 caliber or larger. Ignition: Wheel-lock, matchlock, or flintlock ignition system, or percussion ignition system that uses a primer or percussion cap; (in-lines are permitted.)

Legal Projectiles: Lead ball, lead bullet, semi-jacketed bullet or a metal alloy bullet that expands. A sabot round may be used.

Sights: Only open sights or peep sights are permitted; scopes prohibited. A sight that is operated or powered by a battery, electronics or a radioactive

isotope such as tritium is prohibited. Scopes are permitted only during an "any legal weapon" hunt.

Powder: Only black powder or a black powder substitute may be used.

A muzzleloading tagholder may carry a flintlock or percussion handgun during a muzzleloading-only hunt, however, it may not be used to hunt big game.

Note: Per NAC 503.146, the Department may issue a scope permit to a person with a visual disability which will authorize the use of a 1x magnification scope during a hunt that is restricted to archery or muzzleloading weapons only. Applications must be submitted to the Department on a form provided by the Department.

BOW AND ARROW NAC 503.144

Bow includes any longbow, recurve bow or compound bow. A crossbow is not a bow.

Bow characteristics: A bow used in hunting a big game mammal must have a minimum draw

weight of 40 pounds and a maximum let-off of 80 percent.

Arrows: Legal hunting arrows must have a broadhead attached, be 24 inches in length from the end of the nock to the tip of the broadhead and have a 300 grain minimum weight with all components installed.

Broadheads: Fixed broadheads must be at least 7/8 inch wide at the widest point; mechanical heads must be at least 7/8 inch wide at the widest point when in the open position.

It is unlawful: For any person to carry any rifle, musket or handgun equipped with a telescopic sight or with a barrel length of 8 inches or more in the field while hunting under archery regulations (i.e., an archery-only hunt). To carry a bow with an arrow nocked on the bowstring while in or on any motorized vehicle (exceptions in 503.144). To hunt any wildlife with an arrow that has any chemical, explosive or electronic device attached.

**CROSSBOW
NAC 503.143**

Unless a tag holder holds an Archery Disability Permit, it is unlawful to:

- Hunt a big game mammal with a crossbow during either a 'bow-only' or a 'muzzleloader-only' hunt.

- Carry a cocked crossbow containing an arrow or a bolt while in or on any motorized vehicle while the vehicle is on a public highway or other public right-of-way.

Archery Disability Permit: A person with a permanent physical disability may now qualify for a permit that authorizes them to use a crossbow or a bow that uses a mechanical device that can anchor a nocked arrow at full draw or partial full draw during an archery hunt.

As used for this permit, "permanent disability" means a disability which prohibits a person from manually drawing and holding a legal bow at full draw. Contact your local NDOW Office for information.

**SIGHT ATTACHED TO
FIREARM OR BOW
NAC 503.145**

A sight attached to a firearm or bow that is used to hunt a game mammal or game bird, or a sight attached to a crossbow that is used to hunt a big game mammal, may be illuminated or powered by:

1. A battery contained within the sight;
2. Light-gathering fiber optics;
3. A radioactive isotope such as tritium; or
4. Iridescent or fluorescent paint.

It is unlawful for a person to hunt a big game mammal, a game mammal or a game bird with a weapon that is equipped with a sight that is capable of casting or projecting a beam of light that is visible to the unaided human eye from the sight to the animal.

**HUNTER EDUCATION
REQUIREMENTS**

Anyone born after January 1, 1960 is required to provide proof of Hunter Education, in order to purchase a Nevada hunting license. Proof of Hunter Education is an official Hunter Education card or certificate from any state or Canadian province, with the Hunter Education number and state or provincial logo or seal or a previous year's hunting license with the Hunter Education number or mark. If you have taken a hunter education class in another state or Canadian province, verification must be provided. (NRS 502.330)

PARTY HUNTS

A party hunt, referred to in regulation as an application by a group of persons, is two or more people applying together to receive the same tag. A party hunt can only be created for Mule Deer, Antlerless Elk or Antelope with Horns

DOUBLE H OUTFITTERS LLC

SHOOTING CAN CAUSE WILDFIRES

- ✓ Choose not to shoot on hot, dry and windy days
- ✓ Exploding targets, incendiary rounds and tracer ammunition are illegal on all public lands
- ✓ Don't shoot into rocks or metal objects and place targets in areas free of vegetation
- ✓ Always have water, a shovel and fire extinguisher ready in case a fire starts
- ✓ Clean up all targets and shells and pack them out

Logos: UAS (Forest Service), Nevada Fire Info, Nevada Department of Forestry

Shorter Than Ears. An applicant selects the party option during the application process, designating them as the party leader and generating a party hunt group number that then can be used by all members who wish to join the party hunt. The party hunt group number can be found on the receipt of the party leader. The group number is entered by participating party members during their application process when prompted if they wish to hunt as an individual or as a party for the party hunt species. Entering the party hunt group number on an application will automatically populate the application with the choices made by the leader of the party hunt. The group number can also be entered through a customer's account if an application was submitted before the party was created. Entering a group number on a previously submitted application will update the application to match that of the party hunt leader.

Adult hunters cannot join a junior hunt party, but junior hunters can apply as an adult and receive a party tag with adult members. Junior hunters can apply for a junior hunt party tag with other junior hunters. Nonresident hunters and resident hunters can apply to be in a party hunt together but only for the Mule Deer species. **Note that some options for resident and nonresident do not match and only choices available to both residencies will allow for both residencies to join a party together.**

Party hunt bonus points are factored into party hunt applications by averaging the bonus points across all party members, rounded to the nearest whole number. The most ideal situation for all members of a party is applying with other members who have a similar amount of bonus points. **A party hunt member can return their tag but will not receive a refund of bonus points unless all members of the party also return their tags to the Department.** A party hunt member may receive their bonus points back if the return was due to a medical, death, or military reason.

Specialty tag and male species applications are awarded first. If an applicant applies for an Antlered Mule Deer and a party for an Antlerless Mule Deer, the Antlered Mule Deer applicant could be awarded the Antlered Mule Deer tag and not included in the awarded party hunt for Antlerless Mule Deer. This does not affect the chances of the party to receive a tag. Besides the above exception, party hunts are collectively successful or unsuccessful. Bonus point costs will only be paid for the species of the tag that is drawn. Party hunts are awarded by lowest draw number followed by remaining quota. If a party of four (4) has a low enough draw number to receive a tag but the remaining quota is two (2), the party will be unsuccessful in the draw. Party hunt quotas are respective to resident and non-resident quota pools. (NAC 502.4185)

REFUND OF FEE FOR HUNTING LICENSE – LOSS OF BONUS POINTS

An applicant who fails to obtain a tag may obtain a refund of the fee for his/her hunting license if the license is not a combined hunting and fishing license and he/she:

1. Purchased the license solely to apply for a tag;
2. Does no hunting under the authority of the license; and
3. Submits the license to the Department on or before the last weekday of August of the year in which the license was valid. The Department shall accept the license only if it is received on or before that date. (NAC 502.4225)

Please be aware that an applicant will not be awarded any bonus points if they obtain a refund for their hunting license.

LICENSE REQUIREMENTS

A license is valid for one full year from date of purchase. Any person 12 year of age or older who hunts in Nevada is required to have a valid

hunting or combination hunting and fishing license. Any person under 12 years of age is not eligible to hunt big game in Nevada but may accompany other licensed big game hunters in the field. A person 14 years of age or older may hunt alone if they hold a valid Nevada hunting or combination license and is not using a fully automatic shotgun or rifle. (NRS 202.300)

RETURN OR DEFER A TAG

A successfully draw applicant has 7-days to electronically return their tag to the Department after the draw is conducted. Tags can be returned to the Department for any reason up to the day before the start of the hunt to receive a refund in bonus points. Tags returned to the Department will be issued to an available alternate, available in the second draw, or available for purchase in the First Come, First Served program. Bighorn sheep or mountain goat tags received by the Department before July 15 are eligible for a refund in tag fees. Purchased First Come, First Served tag made after the season has opened will not be eligible for a return or deferral. (NAC 502.4215 and 502.422 Section 4)

If a serious illness or medical circumstance prevents a tag holder from hunting on their tag, that person can chose to defer that tag to the

next year's season. NRS 232.4854 – "Serious illness" means a medical illness, physical injury or condition that substantially affects the quality of life of a person for more than a short period of time. Deferral requests must be received by the Department no later than 14 business days after the opening day of the season for which the tag was issued. Supporting documentation, the physical tag and completed tag return form must be received by the Department before the deferral request can be reviewed. Requests will be reviewed for compliance on an individual basis by the Department's Director's Office. (NAC 502.103, 502.422)

TRANSFER A TAG

Tag holders may choose to transfer their tag to a qualified, non-profit organization who would facilitate the tag being awarded to another individual represented by the organization and who meets specific criteria for participation in the tag transfer program.

Qualifying individuals include youth 12-16 years of age who live in a low-income household or an individual 12 years or older who have a permanent physical disability. All individuals receiving a tag through this program must otherwise be eligible to hunt the tag being offered. Both the original tag holder and the new recipient of the transferred tag will be treated

Crater Lake Realty, Inc. **Heppner Unit LOP tags**
Bologna Creek Ranch, Kimberly, OR

Bologna Creek Ranch offers grazing, hunting, recreation, good water, and thousands of acres of public land access immediately adjacent to the ranch. The ranch consists of 2143 deeded acres and includes a BLM grazing allotment. Trophy hunting for elk and mule deer. Additionally the ranch has cougars, bobcats, bears, turkeys and the occasional steelhead that spawns up Bologna Creek. The ranch has varied elevation to provide grazing and wildlife habitat in several seasons. The grass productivity on the ranch is impressive. In addition there are 11 springs and two creeks that provide consistent water for livestock and wildlife. There are 2 off-grid hunting cabins on the property that are rustic and welcoming when you arrive. The Umatilla National Forest is immediately adjacent to the ranch and offers ample room to extend your hunting opportunities. The ranch sits in the highly coveted Heppner Hunting unit and qualifies for 3 LOP's for deer and 3 LOP's for elk.

as if both were awarded the tag in respect to bonus point cost and applied waiting periods. More information on this program can be found at www.ndow.org or by calling 855-542-6369.

Tag holders who have been diagnosed as terminally by a physician with 12 months or less to live may choose to transfer their tag to another eligible individual to hunt the tag. Both parties will be treated as if they were awarded their tag in respect to bonus point costs and applied waiting periods. (AB 89/CGR 501)

BONUS POINTS

A bonus point is an extra draw number assigned to an application. Bonus points increase draw odds by giving the applicant an extra chance to pull a low enough number to be assigned a tag. Bonus points can be accumulated for all species and class available in the big game draw, except management hunts. Each hunt category has its own set of bonus points. For example, Elk has three different hunt categories, and each are their own set of bonus points: Antlered Elk, Antlerless Elk, and Spike Elk. An active hunting license is required in order to obtain a bonus point and only one bonus point may be obtained per category per valid license year. Applicants should be aware of what day their license expires when considering their bonus point eligibility.

If an applicant is unsuccessful in the draw, the application automatically converts into a bonus point to be used in the following year's draw. Bonus points can also be purchased in place of submitting an application if an applicant does not wish to obtain a tag during the upcoming season. However, a bonus point cannot be purchased by an applicant in a waiting period. Bonus points are spent and revert back to 0 when an applicant is successfully awarded or purchases a tag. Bonus points are lost if an applicant misses two consecutive years of applying for the species. (NAC 502.4187-4189 and 502.4225)

GENERAL APPLICATION INFORMATION

Customers can link accounts to one another. To link or unlink a customer to or from your account, visit the "Link Customer Accounts" section in an account. Linked accounts can only be controlled through the primary customer's account. If you wish to be unlinked from another individual, you must contact them and request that they unlink you. Each applicant will need to apply and purchase licenses under their own account and with a separate charge, regardless of linked accounts.

Customers can add additional credit cards to their account by selecting the Payment Methods section. Expired cards cannot be edited but must be deleted and added anew. Some items in a customer's account can be set to auto-renew, the default credit card will be the one that is charged at the time of auto-renewal.

A license is valid for 365 days from the date of purchase. One bonus point per hunt category, per year can be earned under a single valid hunting/combo license. Applicants should be aware of what day their license expires when considering bonus points.

Applicants can choose to purchase a hunting license only if they are successful in the draw. This option will not earn the customer a bonus point.

Once an application is submitted, editing an application can be done in a customer's account page under "Application and Points" up until the close of the application period. Withdrawal and re-submission of an application would be needed if the change to the application causes additional fees. Ex) If an application for a bonus point was submitted and wished to be changed to a tag application, the bonus point application would need to be withdrawn and re-submitted as an application for hunt. Application fees are non-refundable and must be paid for every application submitted.

Unit choices will show the number of tags awarded through the draw process in that unit during the last season. Newly created units will show 0 tags.

If awarded a tag, harvest return cards are mandatory regardless of a successful take during the season and regardless of whether or not the tag was hunted on.

Applicants will be prevented from applying if they did not submit a harvest return card for last season. Customers can complete the return card found in their account, pay \$50 to lift the suspension and proceed with the current year's application.

Applicants are prompted to allow or not allow their draw results made public. This option asks for their name and awarded tag information to be shown in a list of the year's big game draw results.

Applicants are prompted to allow or not allow their information to be shared with 3rd parties. This option asks for their name and personal information to be shared with 3rd party entities who request it from the Department for personal or business use.

Quotas for resident and non-resident are set in Commission Policy 24 at approximately 90% resident - 10% non-resident.

Applicants can choose up to 5 different units and seasons per hunt category so long as there are 5 different choices available. It is highly recommended to utilize all 5 hunt choices for an increased chance of draw success.

\$3 Fee: Customers can now select where they would like the Department to utilize their \$3 application fee. Customers will be prompted on their application review page to select direct- ing the Department to spend their \$3 fee on

SHOOTERS & HUNTERS: HELP PREVENT WILDFIRES.

The target shooting and hunting community prides itself on being safe and responsible with firearms in all situations—from using them outdoors to storing them safely at home. Sometimes, however, unusual conditions such as extremely dry environments require an extra level of awareness and safety on the part of shooters.

Wildfires have many possible causes. The National Shooting Sports Foundation, the trade association for the firearms and ammunition industry, reminds all shooters that during dry and hot weather conditions their use of certain ammunition and targets could accidentally ignite a wildfire. NSSF reminds all target shooters and hunters, as well as other outdoor enthusiasts, to consider the potential consequences of their activities in fire-prone environments.

- **Make it a point to know the regulations and rules related to shooting in areas experiencing dry and hot conditions, whether on public or private land or at shooting ranges. Many national forests, for example, do not allow recreational shooting when fire restrictions are in effect.**
- **Consider the type of ammunition and targets you are using. Minimize the risk of fires by not using steel-jacketed ammunition, ammunition with steel-core components, tracer rounds or exploding targets in fire-prone areas.**
- **Remember that equipment, such as cars and ATVs, can have extremely hot exhaust systems that could ignite dry vegetation, so park only in designated areas.**
- **Extinguish and dispose of smoking materials safely.**
- **Follow guidelines to extinguish campfires.**
- **Warn others of potential dangers and behaviors for starting wildfires.**
- **Report any wildfire you see to authorities.**
- **Spread this message to other target shooters, hunters and outdoor enthusiasts.**

IF I DRAW A TAG IN THE MAIN DRAW, WHEN WILL I RECEIVE MY TAG?

Tags for successful applicants will be printed beginning one week after the conclusion of the draw and the one-week electronic return period. Printing all main draw big game tags usually takes 1-2 weeks. Applicants can expect their tags to be placed in the mail within 3 weeks of the conclusion of the draw and receive their main draw tags around July 1. **Applicants are advised to ensure the address provided for tag shipping at the time of application submission is accurate and current.**

MANDATORY BIG GAME HARVEST INSPECTIONS

Some species require the inspection of the skull, horns, or hide by a representative of the Department within a given time after the harvest. Time frames of inspection by a Department representative are as follows:

- Black Bear – within 72 hours of harvest – NAC 502.373
- Bighorn Sheep, for rams of all subspecies – within 5 days of harvest – NAC 502.345
- Mountain Goat – within 5 days of harvest – NAC 502.364
- Mountain Lion – within 72 hours of harvest – NAC 502.370
- Moose – within 5 days of harvest - CGR 514

Call 775-688-1500 to schedule a harvest inspection in your area.

HOW DOES THE MAIN DRAW WORK IN NEVADA?

Bonus points are squared to equal the number of assigned numbers you have in the draw, plus one extra number for your original application. $(BP^2) + 1 = \#$ of chances to draw.

Draw numbers are assigned to each application and chance received from a bonus point. Numbers are assigned randomly from 1-100 million. The lowest number assigned per hunt species is analyzed and used for potential draw success.

Quotas are totaled by adding up every opportunity for a species to be assigned as a tag. This is the maximum number of times a species can be awarded as a tag to an applicant. All ant-

lered, antlerless, depredation, spike hunts + all tags available in every unit + all season options + all weapon type options = total quota for elk.

Tags are awarded to applications beginning with the lowest draw number. Certain applications are evaluated and awarded before others. The order of awarded applications are as follows:

- Silver State
- Partners in Wildlife
- Junior Mule Deer Antlered/Antlerless
- Rocky Mountain Bighorn Sheep Ram, California Bighorn Sheep Ram, Nelson (Desert) Bighorn Sheep Ram, Elk Antlered, Antelope Horns Longer than Ears, Mule Deer Antlered, Mountain Goat, Bear, Moose Antlered
- Elk Depredation Antlered, Management Bighorn Sheep Ram
- California Bighorn Sheep Ewe, Nelson (Desert) Bighorn Sheep Ewe, Elk Antlerless, Antelope Horns Shorter than Ears, Mule Deer Antlerless
- Spike Elk
- Elk Depredation Antlerless

Once an applicant is awarded a tag for a species, all other chances to be awarded a tag for the same species are made ineligible. An applicant can only receive one tag per species. Ex) if an applicant draws an antlered elk tag, all applications for antlerless or spike elk become ineligible.

DEER SPECIAL REGULATIONS (NAC 503.170)

In the fenced or cultivated lands of the Smith and Mason Valleys, in the Mason Valley Wildlife Management Area and in the zones within the Fort Churchill State Historic Park and the Lahontan State Recreation Area that are designated for hunting by the Administrator of the Division of State Parks of the State Department of Conservation and Natural Resources:

Deer may be hunted only with a shotgun no larger than 10 gauge and no smaller than 20 gauge, using rifled slugs or shotgun rounds with sabots that contain rifled slugs or a single expanding projectile; or a longbow and arrow.

The use or possession of shotgun rounds

with sabots that contain other than rifled slugs or a single expanding projectile is prohibited.

A shotgun that is used to hunt deer may be equipped with a smoothbore barrel or a barrel that is partially or fully rifled.

In the Mason Valley Wildlife Management Area deer may be hunted only on the following days during the season set for the hunting of deer:

- Saturdays, Sundays and Wednesdays;
- Nevada Day, as observed;
- November 11, Veteran's Day;
- Thanksgiving Day; and
- Family Day

*** Please contact local state parks for up-to-date hunting information.**

IMPOSITION OF LIABILITY (NRS 41.472)

1. If a parent, guardian or other person legally responsible for a minor under the age of 18 years:

- Knows that the minor has previously been adjudicated delinquent or has been convicted of a criminal offense;
- Knows that the minor has a propensity to commit violent acts; or
- Knows or has reason to know that the minor intends to use the firearm for unlawful purposes, and permits the minor to use or possess a firearm, any negligence or willful misconduct of the minor in connection with such use or possession is imputed to the person who permits such use or possession for all purposes of civil damages, and, notwithstanding the provisions of subsection 2 of NRS 41.470**, that person is jointly and severally liable with the minor for any and all damages caused by such negligence or willful misconduct.

NRS 41.470** Subsection 2 states the joint and several liability of one or both parents or guardian having custody or control of a minor under this section shall not exceed \$10,000 for any such act of willful misconduct.

COMMONLY ASKED CALL CENTER QUESTIONS

WHERE WOULD I FIND HUNT STATISTICS?

Nevada has a great hunt statistic and planning tool named HuntNV. It is a great way to see draw, bonus point and harvest statistics in each unit for all of Nevada's big game species and includes an interactive map. Find it at hunt.wildlifenv.com or through www.ndow.org.

WHERE CAN I BUY MAPS OF NEVADA?

Great resources to find maps of Nevada include the US Forest Service, Bureau of Land Management, Nevada Department of Transportation, and the Nevada Gazetteer.

HOW DO I UPDATE MY PAYMENT METHOD AND MARK IT AS DEFAULT?

A customer can update their payment method by logging into their customer account and selecting "Payment Methods" from the left-hand menu. Here you can add a new card and delete any that have expired. Use the drop-down arrow next to the card for an option to set it as your default payment method.

I HAVE AN EMAIL SAYING I WAS SUCCESSFUL, WHY HAVEN'T I RECEIVED MY TAG?

Big game tags are fulfilled from the main draw in the month of June. If a customer has not received their big game tag by July 1, contact the Department at 1-855-542-6369. **Failed payment for the tag will result in a customer not receiving the tag, losing their bonus points, and having an assigned waiting period.** Check for emails related to failed payments and contact the Department for assistance in updating a default payment method in a customer account.

HOW TO RESET MY ACCOUNT PASSWORD? HOW TO RESET MY PASSWORD WITHOUT AN EMAIL?

Customers can reset their passwords by selecting the "Log in" button and "Forgot password" link. An email will be sent with a link to reset the password, or you can choose to "reset my password without an email" and answer the customer identifier questions associated with your account.

WHERE CAN I FIND BONUS POINT DATA?

NDOW biologists create bonus point tables that include a breakdown of successful and total applicants by bonus point level and choice. To find this data, visit our website at www.ndow.org and search "bonus point data" in the search bar.

IF I MOVE OUT OF STATE, DO MY BONUS POINTS CHANGE?

Bonus points are residency agnostic, meaning that if your residency changes, your bonus points go with you. **Note that some hunts are only offered to a resident.** If a person cannot apply for a hunt due to closures or residency change, previously acquired points will remain static until the applicant is able to again apply for the hunt connected to the bonus points.

WHY DO I NEED TO PROVIDE MY SSN TO CREATE AN ACCOUNT?

Laws regarding child support mandate that any person who is required by federal law to have a social security number must provide the number to obtain a business, occupational or recreational license. Federal Law – Public Law 104-193; NRS 502.063, 503.5833, 504.390.

HOW DO I COMPLETE MY RETURN CARD HARVEST SURVEY?

Return cards are done fully electronically and can be found in your customer account. Log into your account and select the “Return Cards/ Surveys” section on the left-hand side. Select what year and survey to take. Once completed, the survey will show as reported. You can also view answers to past surveys that have been previously submitted.

HOW DO I LINK MY ACCOUNT TO ANOTHER?

Customers can link accounts to one another by visiting the “Link Customer Accounts” section in an account. The customer account that links other accounts to it is called the primary account. Linked accounts can only be controlled through the primary customer’s account. If you wish to be unlinked from another individual, you must contact the primary account holder and request that they unlink you.

WHY DID I NOT RECEIVE A BONUS POINT?

An active hunting or combination license is required in order to obtain a bonus point. Only one bonus point per species and class can be obtained in the year the license is active. Customers will be prompted to purchase a license when submitting their application or to purchase only if successful. Choosing to purchase only if successful will not earn a customer a bonus point.

I TURNED IN MY TAG, WHY DID I NOT RECEIVE MY BONUS POINTS BACK?

If a tag is returned to the Department by a member of a party hunting application, party hunt members will not receive their BPs back unless all members of the party return their tag before the season opens. A party hunt member may receive their bonus points back if the return was due to a medical, death, or military reason.

Tags for successful applicants will be printed after the conclusion of the one-week electronic return period that follows the conclusion of the draw. Printing all big game tags takes approximately 1-2 weeks. Applicants can expect their tags to be placed in the mail within 3 weeks following the conclusion of the draw and receive their tags by July 1st. Applicants are advised to ensure the address provided for tag shipping at the time the application is submitted is accurate and current.
